

The ABC s Coloring Book with Animals and Professor Hogan (Paperback)

By Professor Hogan

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book was designed by Mike Rothmiller the inventor of Imagination Zoo Early Childhood Development Plush Toys with a primary objective of enhancing a child s cognitive abilities while learning the ABCs visually, with spoken words and by coloring. Unlike other ABC and coloring books, this book is designed to focus the child s attention by eliminating irrelevant imaging stimulation from each page thereby reducing cognitive clutter. In young children, it is nearly impossible for them to separate and ignore task-irrelevant input from the environment or the unnecessary visual stimulus on a page. Too much information causes cognitive clutter which suppresses learning. And, the book provides real animal images and the opportunity for the child to engage their imagination, early artistic talent and hand eye coordination within the coloring book section. The first five years of life are a time of enormous social, emotional, physical and cognitive growth. The early years provide a window of opportunity to establish a sturdy or fragile stage for what follows. By age three, a child s brain has reached approximately 90 of its...
