Image Comics, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Corbin Quinn and Danny Reilly are two red-blooded American guys who also happen to be scientific geniuses. With the whole world watching, they embark on the world s first time-travel experiment. But when their planned routine goes off-course, they re left to fend for themselves - leading to an era-hopping adventure! From ancient Rome to the roaring twenties to the 1980s music scene, Corbin and Danny wreak havoc with the time stream, score front-row seats to the world s wildest events, and get into hijinks with history s scariest villains. But is it worth the price, when they have unresolved problems to address back home in the present day - and a team of angry bosses ready to do whatever it takes to rein them in? This story unites the talents of writer Mark Millar (Kick-Ass, Kingsman: The Secret Service) and artist Sean Gordon Murphy (Punk Rock Jesus) - two powerhouse figures in the comics world, whose combined forces must be seen to be believed.
