## NEW ENGLAND WILDLIFE: A FOLDING POCKET GUIDE TO FAMILIAR SPECIES

Waterford Press Ltd, United States, 2001. Pamphlet. Condition: New. Dr. Raymond Leung (illustrator). Language: English. Brand New Book. The elusive bobcat is one of thousands of species of animals inhabiting the diverse ecosystems found throughout New England. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fishes, seashore creatures and butterflies/insects and includes an ecoregion map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source...

### Reviews

*It is simple in read easier to understand. I am quite late in start reading this one, but better then never Its been designed in an exceptionally easy way in fact it is just following i finished reading through this publication where basically transformed me, alter the way i really believe.*

-- **Ms. Christy Ondricka DDS**

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.*

-- **Vivianne Dietrich**
