Perfect for a slightly younger age range, and for sensitive older readers. YOU are the last of the Dragon Warriors - humans who, by reciting a certain spell, can take on the form of a dragon. For centuries your land has been at peace, but now Grull has emerged from the Iron Mines with an army. You have to take dragon form to defend your people; first from goblin riders on 3-headed wolves, then from barbarian clansmen riding taurogriffs, then grey knights riding scorpion-tailed manticores - and finally from Grull himself and his elite guard mounted on rocs, the most powerful flying creatures in existence! In this adventure if you become trapped you can return to the Sacred Grove in human form to begin your battle again!.
