Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.E works hard and likes to play even harder. After a draining week, she just wants to link up with her girls and let her hair down. Hitting the hottest and newest club in town, a good time isn't all that E leaves with. She sees Andre, who she had a crush on in her younger days and now the time is perfect because she is grown enough to do something about it. Not one to chase waterfalls, E is prepared to be a woman about whatever is to come with her leaving the club with Andre. No one could have ever predicted that such a simple choice would change her life and the lives of her family from that night forward. Goons come out to play and the bullets start flying. Lives are lost and no one knows who's really to blame except E and Andre. Only problem is, Andre can't say a word. Dive into newbie author Andra T. Johnson's 1st release in an urban, street-lit tale of love, sacrifice, loyalty, and self preservation in *Love or Loyalty: Which One Would You Choose?*.
