Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wanted to visit Machu Picchu, or witness the Northern Lights? To explore remote landscapes where no boot has tread, no shutter ever snapped? You can. Before he became Green Giant on the Appalachian Trail, Gary Sizer was a Marine, a computer nerd, and a guy with a problem. No matter how much time he spends outside, it s never enough. Whether being thrashed by drill instructors at Parris Island or drenched by a squall in a high tundra, the same calming thought always prevailed: It s good to be outside. Home is Forward is much more than a collection of travel stories. It answers the question of how someone can go from having a (somewhat) normal life to casting it all aside and wanting to go live in the woods. Hilarious, poetic and often thoughtful, Home is Forward is also a story about people. From ancient ruins to frozen volcanos, lessons are learned, friendships are forged, and on top of it all, love blooms. So if you yearn to visit far off lands, or simply love a well spun tale, you re in the right place.
