Reviews

This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.
(Garrett Adams)

A MORE PERFECT UNION CARLOS SERIES

WEB Press. Paperback. Condition: New. 222 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. They're running for president. They have a history. Will they have a future after they rip each other apart in the campaigns? It's a bare-knuckle brawl pitting the former Miss Cherokee Nation and present Senator of Virginia against the former major league slugger, the Cuban American heartthrob and current governor of Florida. This widowed and handsome odd couple, through no fault of their own, attract gossip. The world, wishing for a return to Camelot, wants the nominees romantically linked and the all-too-willing press obliges. The democratic and republican parties object. Ayita and Arturo object at first. Jimi Hendrix once said, "When the power of love overcomes the love of power, the world will know peace." But there's no peace in the hearts of our protagonists. Can either nominee risk losing the presidency for a chance at love? Is it a selfish act to love one person and chance losing and thereby letting down all those who love and need you in their corner? There's less than two months left before the election and things are heating up on all fronts. How will this end? Will one or both get hurt? America will never be the same after the history-making conclusion. Authors note: The title, A MORE PERFECT UNION, comes from the preamble to the U. S. constitution. Of course, you literally can't have something more perfect. Were the founding fathers taking the politically expedient path of glorifying the articles of confederation and then replacing them with the constitution or had they intended more? Religious men they were. They understood there was more to life than could be measured as perfect. Create a perfect system of government, as they envisioned it, and make it more perfect by acknowledging and practicing...
