600 THEORY TEST QUESTIONS FOR LEARNER DRIVERS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. James Duggan (illustrator). Language: English . Brand New Book ***** Print on Demand *****. This 600 Theory Test Questions for Learner Drivers book has primarily been prepared with learners in mind who are preparing for their driving Theory Test. It is not intended to mimic the official Driving Standards Agency theory test in which the questions are actually published and which pupils can learn parrot fashion. By learning in that way they can pass the test almost by default without any real understanding of the subject of driving. Conscientious pupils will want to satisfy themselves that they actually have sufficient understanding of the theory of driving which will in due course make them better drivers and therefore safer drivers. Its main function is to provide a structured working platform to assist learners in studying for the Driving Standards Agency Theory Test (multiple choice element). It does this by means of a series of comprehensive quizzes, complete with answers, based upon the required reading necessary to ensure a sound basic knowledge of driving which will lead to a first time pass. The first 550 questions comprise 10 banks of 55 questions each, all of which are supplied with correct answers. Each bank of 55 questions is subdivided into 15 on a mixture of road sense and the Highway Code only, with 35 on general driving knowledge and a further 5 on road signs. There is no particular difference in the fundamental nature of the questions in either of the first two groups. The 15 question section has just three options in the answers, only one of which is correct. However, the 35 question section can have up to six options in the answers with several of them being correct, thus requiring a little...
