Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A hundred years I ve waited for this, my chance for revenge. To confront and kill the person who murdered my parents and caused such unbearable heartache. Tokyo has other ideas. As neon burns my retinas, and bizarre, utterly foreign Hidden try to thwart me at every turn, I lose control. Obsessed, single-minded, and utterly deranged, I sink deeper and deeper into a desperate madness as I chase across the megalopolis seeking vengeance. They torture me, they blast me, they try to eat me, and they threaten my very soul, but they don t know what they re dealing with, and neither do I any longer. Strange powers stir inside my battered body, forces I have little control over, and it isn t long before this fury will explode and rain down bloody hell on all who stand in my way. I m not called Black Spark for nothing, and my nemesis is going to pay for her crimes even if it costs me my life. I ll show her, I ll show them all. Look out Tokyo, the gaijin s in town.
