No one—not even government leaders, military commanders, astronomers, or other scientists—can provide any real answers regarding the mysterious light that has suddenly appeared in the eastern sky. When a diverse group of scholars and scientists meets in Israel to investigate the phenomenon, they are soon caught in a web of political and spiritual intrigue, terrorist bombings, and sniper attacks. As uncertainty about the phenomenon causes worldwide panic, the pressure is turned up to find a scientific answer to the mystery of the light. But the team is determined to convince the world of its findings—that the light is the return of the Star of Bethlehem, which signals Christ's Second Coming. This item ships from multiple locations.
