

The Gateless Barrier

Filesize: 7.98 MB

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
(Imogene Bergstrom)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 116 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Laurence leaned his arms upon the broad wooden hand-rail of the bulwarks. The water hissed away from the side. Immediately below it was laced by shifting patterns of white foam, and stained pale green, violet, and amber, by the light shining out through the rounds of the port-poles. Further away it showed blue black, but for a glistening on the hither side of the vast ridge and furrow. The smoke from the funnels streamed afar, and was upturned by a following wind. The great ship swung in the trough, and then lifted as a horse lifts at a fence while the seas slid away from under her keel. As she lifted, her masts raked the blue-black night sky, and the stars danced in the rigging. This was the first time since his marriage, nearly two years before, that Laurence found himself alone and altogether his own master. His marriage was a notable success every one said so, and he himself had never doubted the fact so far. Yet this solitary voyage, this temporary return to bachelorhood, possessed compensations. He reproached himself, as in duty bound, for being sensible of those compensations. He excused himself to himself. He gave reasons. This item ships from La Vergne, TN. Paperback.
