Mythic Delirium Books. Paperback. Condition: New. 144 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. The mutants of Wonderland threaten to smash through the looking glass as the river of Time overflows its banks. The King of Cats and the Queen of Wolves dance a duet across eons, alternately foes and lovers. Monstrous constellations come to life in the sky, hungry for people-filled worlds. Hungry Constellations, the newest poetry collection from Nebula Award finalist and three-time Rhysling Award winner Mike Allen, surveys two decades of mind-bending verse. Editor Dominik Parisien starts with poems drawn from Allens previous book-length collections, *Strange Wisdoms of the Dead* (2006) and *The Journey to Kailash* (2008), then concludes the triptych with a selection of new and previously uncollected pieces, which author, poet and editor Amal El-Mohtar calls Allens most ambitious work to date in her introduction. Cover artist Paula Arwen Friedlander (arwendesigns.net) adroitly illustrates the collections Rhysling Award-nominated title poem. Funded by a Kickstarter campaign, Hungry Constellations is Allens first poetry collection available in digital format. From the introduction by Amal El-Mohtar: Let me tell you about Mike Allens poetry. This is a man who delights in breaking bodies: butchering, splitting, flaying, dismembering, then seeding landscapes with viscera until they too become bodiesbodies invaded, bodies stuffed, bodies contaminated. This is a man who carves words into and out of bodies, be they skin or sapphire, corpses or constellations. But somehow Allen skirts gore and clinical detachment both: there is a precision and an economy to his horror thats reminiscent of clockwork, architecture, astronomy. Imagine a clock with bone-gears, a skin-tree growing liver-fruit, a ship knifing a face into the moon, and youll have something of a sense of what lies before you Subterranean in conception and galactic in execution, this is a book of monsters. Praise...
