Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The system of the Four Elements (or the four primary building blocks of personality) helps you explore the secrets of your own mind. This self-enquiry, performed in a logical and systematic way, is designed to show you how you can upgrade your mindset in a most effective and empowering way. The prism of the Elements makes the learning process more evocative and intuitive, thus easy to understand and use. When you don't know yourself well, you often let our personal power leak out through unnecessary struggle and decisions which may not be in tune with your actual self. Using the Elements concept helps you become clear on your goals, as well as the ways of achieving them. But it's not all. You can also use your knowledge to understand others on a deeper level. Not only will you be able to effortlessly read them, you will often know how their mind operates better than they do themselves. This is where you can help others, lead, influence, and create a difference in their lives.
