By Do-Me Workbook

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Congratulations on choosing Home Workbook for your child! Parents and teachers agree that Home Workbooks help children learn the skills that they need to be successful in school. Each book offers educational practice pages that are based on academic standards. They are perfect for practice at home, when traveling, and during school breaks. These math drill worksheets differ from the other basic math worksheets in that there are many more problems on the page due to a smaller font size and removal of the problem numbers. The math drills are designed to be time-limited so that it is not practical to finish all of the problems on the sheet. The score is determine by how many correct answers the student can finish in the allotted time, such as one minute. We can speak from experience when we say that having students do this exercise on a daily basis results in dramatically higher basic math skills.
