Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. She's been lying all her life. Can he teach her the truth? Ruby Bennis lives her life in the moment. Thanks to a winning smile, sleight of hand, and cleavage that looks okay (with a push up bra and a bit of mood lighting), she bounces along in life. She moves from city to city, job to job, and man to man without a second thought. When she meets Dane at a back-room poker game, she figures that she's got her next easy mark in her sights. Dane Stanton's done his best to leave his shady past behind. He works behind a desk, living a normal, comfortable, maybe slightly boring life. But when he's forced to resort to old tricks to bail out a friend, he finds himself rescuing Ruby from a tricky situation. Unwillingly, Dane finds himself playing the role of knight in shining armor. Dane knows that Ruby's trouble. He seems to be the only one seeing through her good girl act. He won't let her fool him again. Even if she's the only one who makes him truly happy.
