Brand New Book ***** Print on Demand *****.About This Book: the short answer = Yes they re here; and to find out Why, read the book (you ll be surprised; and maybe very pleased). Much different from most books about Aliens and UFOs; this book takes a Facts - Logic - Reason approach to study and learn if Aliens really are here upon this Earth. And if so, for what purposes; and how they might interact with Humans. We must know the implications, too. No hype no made for Hollywood nor TV show techniques; this book seeks just the truth and employs reasonable ways to do it. One in a series by this author about UFOs and Aliens, this book simply searches for the Truth About Aliens using what we really know plus uses a structured methodology based upon facts - logic - reason. Author is Dr Laurence B Wolfe.
