SPACE. Imagine holding history in your hands. Now you can. Digitally preserved and previously

accessible only through libraries as Early English Books Online, this rare material is now available in

single print editions. Thousands of books written between 1475 and 1700 can be delivered to your

doorstep in individual volumes of high quality historical reproductions. Humankind has studied the

skies for centuries, seeking to find our place in the universe. Some of the most important discoveries

in the field of astronomy were made in these texts recorded by ancient stargazers, but almost as

impactful were the perspectives of those who considered their discoveries to be heresy. Any

independent astronomer will find this an invaluable collection of titles arguing the truth of the

cosmic system. +++The below data was compiled from various identification fields in the

bibliographic record of this title. This data is provided as an additional tool in helping to insure

edition identification: +++ Swallow an almanack for the year of our Lord God, 1659: being the third

after bissextile or...
