CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 210 pages. Dimensions: 8.4in. x 5.8in. x 0.7in. Ask almost anyone their view on Aleister Crowley and opinions will polarize: he was a genius; a psychopath; a drug riddled sex maniac; a champion of sexual freedom against the restrictions of Victorian prudery and hypocrisy; he was a secret agent; a lost-soul poet; a playboy with little better to do than dabble in magic; a lifestyle imitator of Oscar Wilde and Richard Burton; a drug addict; a narcissistic sadist; a visionary artist. Few commentators are qualified to critique Crowleys esoteric motivations and ambitions and most simply dismiss him as a Black Magician who had fallen from the path. But if he did fall, why Exactly where did he imagine the path led in the first place And how far did he actually succeed in his life-long mission to overthrow the established order and herald a new age of Magick Ashe thinks he knows and has written a narrative that presents a lively biography from the perspective of understanding Crowleys roots in the magic of the Order of the Golden Dawn. Crowley was not the first of the great English magicians and certainly will not be the last. This work has been written for the general audience with a simple elegance, but has enough surprises to delight the most hackneyed Crowley expert. A revealing and concise introduction to the legend of Aleister Crowley. This item ships from La Vergne, TN. Paperback.
