RELIGIOUS MYSTERY AND RATIONAL REFLECTION (PAPERBACK)

William B Eerdmans Publishing Co, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How should philosophy approach religious experience, which by definition surpasses its competence? Can philosophy do more than describe the religious experience without discussing its object? Can religion make genuine truth claims - especially when the prevalence of suffering and evil in the world seems to belie those claims? These are some of the basic questions raised in this engaging collection of essays by philosopher Louis Dupre. According to Dupre, a philosophical analysis of faith must take account of the unique system of symbols in which it expresses its beliefs, rituals, and modes of worship. The justification of religious symbols has become a particular problem in an age that tends to separate the objective from the subjective, interpreting the former literally and denying objective reality to the latter. Dupre's essays on von Balthasar's theory of religious form and on the nature of ritual attempt to restore the original meaning of religious symbols, while integrating them with the modern emphasis on human creativity. As this slim but remarkable book of essays makes abundantly clear, its author bids fair to have an influence that will last into the next century, at the last: there is something about his philosophy that seems not just nourishing for a day or hour but perennially satisfying. - Commonweal Dupre writes with the clarity of an analytical philosopher about the issues of experience dear to phenomenologists and with a depth of historical understanding and sensitivity to the life of faith that is rare now in philosophy. In short, this book is that all too unusual phenomenon, religious philosophy. It is done very well, indeed. - Theology Today This is a wise and thought-provoking collection. -...
