You see, Wally doesn't see life in the same way as other dogs do or even as people do; Wally sees life from an upside-down position! Join him as he travels throughout his home following various members of his human family around. We see Wally in the den, the kitchen and in the garden where he is in for a great big surprise. Upside Down Wally is a beautifully illustrated colorful story book with an exceptionally clever concept, which your children will adore. If they flip the book upside-down they can see the same view as Wally, and not only that but they will be able to see other smaller images that can only be discovered if they look through the eyes of Wally. Wally is a happy little dog with a very waggly tail that just doesn't stop wagging! Adults and children alike will thoroughly enjoy the story of Upside Down Wally.
