

Skullz Adult Coloring Book (Paperback)

By Tabz Jones

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twenty-five greyscale and traditional black and white line art skull coloring pages for you to colour at home based on the fantasy gothic art of Tabz Jones. **Just a quick note to buyers; You may find that some of the pages in my coloring books are darker than other artist s books, I have found through coloring these pages myself that darker pages lend themselves very well to heavier mediums such as markers, gel pens, and even watercolors. Also, there are new techniques for blending colored pencils such as using baby oil and petroleum jelly that can completely washout lighter pages. I have tried to include a variety of shades to accommodate every skill level, from beginners to advanced in every book that I create. I encourage you to step outside your comfort zone and try something new, I hope that you will be pleasantly surprised by what you can create =).
