Random House USA Inc, United States, 2000. Hardback. Book Condition: New. Vintage Books.. 198 x 132 mm. Language: English . Brand New Book. Although fifty years have passed since the end of World War II, there has as yet been no definitive history of that conflict. Existing histories have raised as many questions as they answer: Did President Roosevelt have foreknowledge of the Japanese attack on Pearl Harbor? Might bombing the Auschwitz railroad have impeded the course of the Holocaust? Now one of our most esteemed military historians assesses the literature that has emerged from World War II - and the controversies that have arisen from that literature - in a book that combines stunning erudition with crisp prose and highly personal discernment.
