Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Coll and Tiree: Their Prehistoric Forts, and Ecclesiastical Antiquities, With Notices of Ancient Remains in the Treshnish Isles Prehistoric Duns or Forts of Coll and Tiree, from observations made upon successive visits to these islands during the summers of 1896 to 1901. This undertaking has been found specially interesting, and at the same time the more difficult, because of its dealing with an almost soil. The only authoritative work upon our Scottish Duns is Dr. Christisons Early Fortifications in Scotland, which, in the descriptive text, does not include any one of the sites now under consideration, although the Table entitled Dun in Scottish Place-names enumerates fteen of them, and the appended Bibliographical List gives references to papers read before the Society of Antiquaries of Scotland, in which incidental notice is taken of two of the Duns in Coll and of other two in Tiree. In his self-imposed task, the writer has found no printed topographical matter so helpful as a paper by Captain F. W. L. Thomas On the Duns of the Outer Hebrides (in Archaaologia Scotica, vol. v.part iii., Edin. 1890), whilst this aid was merely collateral, its subject (as the title implies) being strictly conned to the Long Island from Barra to Lewis. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
