

The poem "Eating Together" in the EFL Classroom. A Lesson Plan for Intermediate Learners

Filesize: 3 MB

Reviews

It is one of my personal favorite publications. It usually fails to charge an excessive amount. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. David Friesen IV)

GRIN Verlag Gmbh Nov 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Lesson Plan from the year 2014 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,0, Free University of Berlin (Zentrum für Lehrerbildung), course: Ü 54964 Media, Literature and Language Learning, Peter Stear, language: English, abstract: This paper contains suggestions on how to teach communicative and interpretation competences by using the poem 'Eating Together' by Li-Young Lee. The poem deals with, amongst other aspects, the death of a beloved family member and mirrors the atmosphere of a family dinner after the tragedy. On the surface, the text cuts out any emotion towards the dependant s death and concentrates solely on the basic actions of the family and on inanimate objects (cf. l. 1-9). Towards the ending, the text alludes to the family s loss: he lay down to sleep like a snow-covered road (l. 9-10). This topic is of high relevance for students in tenth grade and touches upon their everyday life experiences. Additionally, vocabulary as well as grammatical structures in the poem is appropriate for the language level of B1. For these reasons, this essay aims at illustrating the importance of Eating Together for the EFL classroom by developing a model lesson including pre-, while-, and post-reading activities 12 pp. Englisch.
