Summary: "This book traces the story of evangelical Calvinism through several important episodes in the history of Reformed Protestantism. Long before the Pilgrims landed at Plymouth, Christians, informed by Calvin's missional theology, were planting churches and preaching the gospel in the country we now know as Brazil. This story has long been forgotten, suppressed, and even distorted by those who should have known better. I welcome this well-researched book, which sets the record straight." --Timothy George, Founding Dean, Beeson Divinity School; general editor, Reformation Commentary on Scripture "Does a belief in sovereign grace stymie missions and evangelism? If that belief is rightly understood and rightly applied, the answer is an emphatic no. Haykin and Robinson skillfully present John Calvin's evangelistic zeal and channel it toward a new generation of Great Commission minded pastors, teachers, and evangelists. I'm grateful for these men and this book, and pray that God will use it for the greater advance of the gospel and a greater harvest of souls." --Jason K. Allen, President, Midwestern Baptist Theological Seminary and College "This book sets the record straight once and for all--John Calvin was a man consumed with the global proclamation of the gospel, the salvation of souls, and the discipleship of all nations. With historical integrity and pastoral insight, Haykin and Robinson demonstrate the beautiful harmony that exists between Calvinistic theology and a robust biblical missiology. Here is a call for the church to share in that same passionate pursuit." --Burk Parsons, Copastor, Saint Andrew's Chapel, Sanford, Florida; Editor, Tabletalk magazine "Among the many myths surrounding Calvinism is the idea that it's anti-missions. Michael Haykin and Jeffrey Robinson draw into one place the many sources that demonstrate the tradition's missionary passion. They...
