ANTHOLOGYPERCEPTION (PAPERBACK)

Anotherview Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every truth has two sides; it is as well to look at both before we commit ourselves to either. - Aesop Introduction Humanity is far from perfect-it is a simmering variety of emotions, passions, mistakes, and triumphs, all mixed up within the seemingly soporific mundanity of the day-to-day life. Together, the personal and emotional stories of individuals become a powerful exploration of what it means to be human. In Looking for God., readers with an open mind and curiosity will discover the story of one life through beautifully-written prose. This life story is told with the passion of a memoir that jumps out of the pages, pulling you deep into experiences: as heroic as it is tragic, this anthology brings together A.W. Schade s best works on a highway deep into his psyche, motivations and essential humanity. Through satire, suspense, controversy, wavering faith and a vigilant battle against the demons that haunt us all. Schade s writing captures the human spirit at its best and its worst: the impossible melange that makes us all tick. The anthology includes the following titles: -Looking for God: Within the Kingdom of Religious Confusion Novel - God? -If I Fail: What Doom Awaits the Children? Short Story - Suspense -The Demons of War are Persistent: PTSD can disrupt your life Short Story - Denial and struggle with PTSD -The Greatest Father Short Story - Satire -Not Alone Short Story - A perspective...
