

## Hints on Horsemanship, to a Nephew and Niece: Common Sense and Common Errors in Common Riding (Classic Reprint)

By George Greenwood

Forgotten Books. Paperback. Condition: New. 158 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. CHAPTER I. MILITARY RIDING NOT FIT FOR CIVILIAN RIDING. Throughout Europe there is a military style of riding which is not fit for civil use. The soldier's horse must turn on the wrong rein. -Common riders generally turn their horses on the wrong rein. Result of this with colts or roan horses. -Military riders are not aids. When you wish to turn to the right pull the right rein stronger than the left. This is common sense. The common error is precisely the reverse. The common error is, when you wish to turn to the right to pass the hand to the right. By this the right rein is slackened, and the left rein is tightened, across the horse's neck, and the horse is required to turn to the right when the left rein is pulled. It is to correct this common error, Table of Contents CHAPTER I; The military style of riding in Europe there is a military style of riding which is not fit for civil use; That is the soldier's horse must turn on the wrong rein; That is the soldier's horse must turn on the wrong rein...

### Reviews

Very useful to all category of men and women. I actually have studied and I am also certain that I am going to read through again once more down the road. It has been written in an exceptionally simple way and is particularly only soon after I finished reading this publication by which basically altered me, modify the way in my opinion.

-- Dr. Sarai Fisher DDS

This kind of pdf is every little thing and taught me to look forward and more. It is one of the most incredible books I have read. You won't truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).
