Biblioasis. Paperback. Condition: New. 224 pages. Ray Robertson is an irrepressible voice, with brass balls, and a heart of gold. Jonathon Evison, author of *The Revised Fundamentals of Caregiving* Ray Robertson is the Jerry Lee Lewis of North American letters. Chuck Kinder, author of *Honeymooners* Robertson has been called word drunk. That's good . . . his prose is undoubtedly major-league. There's wit and wisdom in abundance, delivered in clever, punchy style. *The Globe and Mail* What nature means to Jim Harrison's books, Ray Robertson writes in the preface to the present volume, music means to mine. *Lives of the Poets (with Guitars)* picks up where Samuel Johnson left off nearly 250 years ago, collecting biographical and critical portraits of rock and roll, blues, folk, and alt-country's most inimitable artists. These often irreverent essays offer a riotous, toe-tapping and original take on how each musician shaped their genre, while looking into their tumultuous lives and how these helped to shape their art. Includes essays on Gene Clark, Ronnie Lane, The Ramones, Sister Rosetta Tharpe, Townes Van Zandt, Little Richard, Alan Wilson, Willie P. Bennett, Gram Parsons, Hound Dog Taylor, Paul Siebel, Willis Alan Ramsey, and John Hartford. Ray Robertson is the author of seven novels and two collections of non-fiction. He lives in Toronto, Ontario. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
