Survival Guide: (FREE Bonus Included) 15 Effective Survival Strategies and Tips to Survive a Disaster This book is about the skills that you need to survive a disaster. Natural disasters can happen at any time and who knows how long you would have to face the consequences of the disasters. To cope with the disasters, one must know how to survive in adverse circumstances. For this, it is essential to have certain survival skills and mindset. In this book, I will give you certain tips on how to survive the after-effects of a disaster. I would try my best to teach you the necessary strategies needed for survival in the harshest circumstances. I have discussed different tips and strategies in different chapters to give you a detailed and easy understanding of survival skills. What are the basic survival skills, how to handle different types of injuries and wounds, tips on how to store and preserve enough food and water for...
