

I Am a Pilgrim, a Traveler, a Stranger (Hardback)

Filesize: 7.54 MB

Reviews

Comprehensive information for book lovers. This is for all who stante that there had not been a worth studying. Its been printed in an remarkably simple way which is simply following i finished reading through this pdf where actually modified me, change the way i think. (Rebekah Smith)

I AM A PILGRIM, A TRAVELER, A STRANGER (HARDBACK)

Pickwick Publications, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this book--part biography, part critical analysis--John Hubers introduces us to a man whose pioneering ministry in the Ottoman Empire has gone largely unnoticed since his memoir was penned in 1828, three years after his death in Beirut, by a seminary colleague. His name was Pliny Fisk, and he belonged to a cadre of New England seminary students whose evangelical Calvinism led them to believe that God was opening up a new chapter in the life of the Church that included an aggressive evangelism outside the borders of Christendom. Fisk and his friend Levi Parsons joined that effort in 1819 when they became the first American missionaries sent to the Ottoman Empire by the American Board of Commissioners for Foreign Missions. Hubers s intent is to show the complexity of Fisk s character while examining the impact his move to the Middle East made on his perceptions of the religious other. As such, this volume joins a growing body of literature aimed at providing critical, historical, and religious context to the often checkered history of relations between American Christians and Western Asian peoples. It became rare in today s scholarship to find a serious scholarly study on the missionary work in the nineteenth and twentieth centuries in the Arab Near East, though such literature is still strongly needed to develop a comprehensive understanding of missionary thought of that significant era. In this longed for volume, John Hubers offers us an admirable analysis of such missionary work in the Arab World. He eruditely takes missiological studies an original step forward by tackling the yet understudied question of how the interaction with the non-Christian imaginations of the indigenous Oriental groups challenged, impacted, and even transformed...
