

Romani Dictionary: Kalderash - English (Paperback)

By Ronald Lee

Magoria Books, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As Ian Hancock notes in the introduction, this dictionary has been years in the making, and its early drafts have been in circulation among a select few for at least three decades. It should come as no surprise then that this Kalderash dictionary, by Learn Romani author Ronald Lee, is fundamentally different from many previously published Romani dictionaries: Firstly, it is compiled by a native Romani speaker; secondly, it covers and, where appropriate, differentiates European and North American Kalderash terms; and thirdly, it is a decidedly academic quality work that does not shy away from Romani grammar. Prefaced by a grammatical primer, containing over 12,000 lexical items, and filled with countless real world examples of idiomatic usage, this book is an indispensable resource for anyone looking to learn or work with Kalderash Romani. Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

-- Prof. Jean Dare

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Nikita Herzog
