Seed Growers Philadelphia No one who really wants to grow grapes need fear the insects and diseases that attack the vines or the fruits. In the amateur vineyard the grower is generally less inclined to halt at the little work and cost of a fight than to the commercial vinyardist who has to look after acres of grapes would mean not only excessive work but prohibitive cost. Then, too, the amateur will be all the more elated when his efforts are crowned with success. The season of 1919,...
