

Ecology in Jurgen Moltmann s Theology (Hardback)

By Celia E Deane-Drummond

Wipf Stock Publishers, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book offers a critical and constructive analysis of the contribution of Jurgen Moltmann to the field of ecotheology. Moltmann is one of the foremost and influential contemporary theologians of our time, but his specific contribution to ecotheology has received relatively scant attention in the secondary literature. The author deals sensitively with the relevant scientific aspects necessary in order to develop an adequate theology of the natural world. She also offers a careful and constructive analysis of the specific systematic theologies of creation, humanity, eschatology, and Trinity that are woven into Moltmann s rich interpretation of the relationship between God and creation. This new edition of Celia Deane-Drummond s study of Jurgen Moltmann s path-breaking contribution to ecotheology serves as a fitting tribute to Moltmann on his ninetieth anniversary. --Ernst M. Conradie, University of the Western Cape Celia Deane-Drummond has emerged as a world leader in both ecological theology and in the broader engagement between science and theology of the early twenty-first century. It is fascinating and wonderfully instructive to see the way she engages critically with the ecological vision of Jurgen Moltmann,...
