There are nine Fruits of the Spirit: Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Why are these nine fruits so important in everyday living? Paul in Galatians when speaking about these fruits was referring to the Holy Spirit. You are never too young or old to experience the fruits of the spirit. This study is for anyone, but the target of the study is for what we call the tween preteen years, that in between stage in life of growing up. Many questions of how to live the Christian life can be guided by these fruits. In this study not only are the fruits discussed by life experiences as a tween, but the study shows how to use the Bible to search for these fruits using the Concordance Index. It s a great book for Bible study devotions! To fully understand the Fruits of the Spirit, we must be able to comprehend the nine words by their definition and context as given using the Bible. This is a comprehensive study of each word to help adolescence in their journey with understanding God.
