Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Huntington Island State Park: Visitor s Guide Perhaps the major reason for this lack of disturbance was the island s geography. The sandy coastline and interior dune ridges were uninviting to settlers looking for good crop land. Lack of easy access to the island further discouraged settlement. Until completion of the first bridge in the 19405, Hunting Island could only be reached by boat. This isolation protected a distinctive beach, forest, and wildlife habitat that continue to be conserved today as a state park. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
