## A CALL TO LIBRARIANSHIP: ISSUED TO THE EDUCATED YOUNG MEN AND WOMEN OF THE STATE OF WASHINGTON (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Call to Librarianship: Issued to the Educated Young Men and Women of the State of Washington There has been from the early days of library training a strong demand for well trained people; that demand has increased rapidly in recent years; and within the last two years the growth of this demand has been phenomenal. Salaries have increased as rapidly as in other lines of professional service, comparing fairly well with those paid in the teaching profession, and yet it is almost impossible to secure the persons actually needed to supply library staff requirements. This increased demand has not been essentially different from what it has been for some years past; it is only more intense. It has been intensified in part because the government, in its larger need for ready and quick service during the stress of war, found that librarians were better trained for handling record work than any other class of persons, and many of those who entered government service have not yet returned to library work.
