

In the Darkroom (Paperback)

Filesize: 3.34 MB

Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
(Lexie Paucek PhD)*

Picador USA, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. PULITZER PRIZE FINALIST ONE OF THE NEW YORK TIMES BOOK REVIEW S 10 BEST BOOKS OF THE YEAR WINNER OF THE KIRKUS PRIZE When feminist writer Susan Faludi learned that her seventy-six-year-old father--long estranged and living in Hungary--had undergone sex reassignment surgery, the revelation would launch her on an extraordinary inquiry into the meaning of identity in the modern world and in her own haunted family saga. How was this new parent who identified as a complete woman now connected to the silent, explosive, and ultimately violent father she had known, the photographer who d built his career on the alteration of images? Faludi chases that mystery into the recesses of her suburban childhood and her father s many previous incarnations: American dad, Alpine mountaineer, swashbuckling adventurer in the Amazon outback, Jewish fugitive in Holocaust Budapest. When the author travels to Hungary to reunite with her father, she drops into a labyrinth of dark histories and dangerous politics in a country hell-bent on repressing its past and constructing a fanciful--and virulent--nationhood. Faludi s struggle to come to grips with her father s metamorphosis takes her across borders--historical, political, religious, sexual--to bring her face to face with the question of the age: Is identity something you choose, or is it the very thing you can t escape?.
