

Research Into Practice 2/E: A Reader (Paperback)

By Pamela Abbott, Roger Sapsford

OPEN UNIVERSITY PRESS, United Kingdom, 1997. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book ***** Print on Demand *****.Praise for the first edition of Research Into Practice and Research Methods for Nurses and the Caring Professions: These books provide a good introduction for the uninitiated to reading and doing research. Abbott and Sapsford provide a clearly written and accessible introduction to social research. One of their aims is to demystify research, and in this they succeed admirably. After reading the text and the articles in the reader, and working through the various research exercises, readers should have a clear appreciation of how to evaluate other people's research and how to begin their own. - David Field, Journal of Palliative Medicine This is a thoroughly revised and up-dated edition of the bestselling reader for nurses and the caring professions. It offers carefully selected examples of research, all concerned in some way with nursing or the study of health and community care. It illustrates the kind of research that can be done by a small team or a single researcher, without large-scale research grants. The editors have chosen papers which show a great diversity of approaches: differing in emphasis on description...
