

Always Growing: Hair (Paperback)

By Dona Rice

Teacher Created Materials, Inc, United States, 2015. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Is your hair long? Is your hair short? Have you ever cut your hair? Vivid photographs throughout this book show long hair that has grown for a long time compared to hair that has been cut. Early learners can create a story on their own or collaborate with others to compare and contrast the differences between each picture. By flipping through the pages of this book, students will be excited to share stories about how fast or slow their hair grows - or even how often they have to cut their hair! Related to Next Generation Science Standards and McRel Science Standards, this book focuses on growth and change.

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
