

## Kew's Big Trees

By Christina Harrison

Royal Botanic Gardens. Paperback. Book Condition: new. BRAND NEW, Kew's Big Trees, Christina Harrison, To some, trees are green monuments; emerald cathedrals that augment our landscape and bewitch us with their folklore; to others they are vital for survival, providing shade, food, fuel and medicine. Indeed, Britain's own history is entangled with the oak, yew, ash, and other trees that clothe our countryside and it was not so long ago that we used them for everything from weapons to water carriers. The world of trees is an immensely diverse and vitally important one. Kew holds over 14,000 trees in its 132 hectares, a unique mix of the rare, ancient, useful and beautiful. In Kew's Big Trees you can discover how one of the world's best tree collections came to be and learn the stories behind 20 of its most intriguing trees including the oak, yew, ginkgo and pagoda tree. The book is extensively illustrated with over 90 colour photographs, full colour maps and seasonal trails, to guide visitors around the best places to see trees at Kew.

### Reviews

*This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.*

-- **Garrett Adams**

*It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.*
