Broadway Books. Paperback. Book Condition: New. Paperback. 473 pages. Dimensions: 9.1in. x 6.2in. x 1.0in. For more than thirty years, Kevin Phillips' insight into American politics and economics has helped to make history as well as record it. He explores how the rich and politically powerful have frequently worked together to create or perpetuate privilege, often at the expense of the national interest and usually at the expense of the middle and lower classes. With intriguing chapters on history and bold analysis of present-day America, Phillips illuminates the dangerous politics that go with excessive concentration of wealth. Profiling wealthy Americans from Astor to Carnegie and Rockefeller to contemporary wealth holders, Phillips provides fascinating details about the peculiarly American ways of becoming and staying a...
