Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Was the sacrificial pool at the Druid s Den close to St Andrews used for human sacrifices? What lies within the structure of the viaduct made famous in the Harry Potter films? Why were seventeen miniature coffins buried in a cave on Arthur s Seat in Edinburgh and what is their possible connection with the serial killers Burke and Hare? What lurked in the attic room of an Edinburgh guest house? Why were those convicted of witchcraft denied sleep? What terrified a group of World War Two soldiers causing them to flee their temporary barracks at a Highland castle? Scotland is known worldwide for its legends, mystical locations and haunted places. In this book, the author explores many of the mysterious and haunted sites in the country, concentrating mainly on the less well-known stories and offering the unique perspective of his own views and findings having visited the location, where possible. Several photographs taken by the author showing unusual anomalies are included for the reader s consideration. The world famous Loch Ness is also covered, however, rather than simply re-telling tales of the sightings, a brief history of the Loch and it s well known inhabitant is given; along with the author s own theory on the monster. Book 2 in the Haunted Explorer Series. Other titles available; Scotland s Hidden Hauntings Haunted Scottish Castles and Houses.
