iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Where are these missing children? We see their innocent faces on milk containers. When we open our mailboxes, we find circulars with pictures of children who were never found. There are countless Amber Alerts that rattle our fears. What are the possibilities of ever finding out who is behind this nightmare that we all fear may happen to us? Jack Diamond may have the clue to one of those possibilities. While on a case, he accidentally stumbles on information that stirs his suspicions. Suspicions that lead him to believe that there is an evil syndicate behind an abduction ring that spreads along the East Coast of the country. Although this is a fictional story, it will definitely raise an eyebrow on the possibility of it being a reality.
