Nicole Pouchet, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life is finally on track for fledgling stage actress Layla Cohen until she realizes her gorgeous new director, Sebastian, is the star of the erotic dreams which she s been having for months. She could handle the uncomfortable work situation if not for the further evidence she s losing her mind: The wind suddenly whooshes at her command; memories of a past life emerge; and she s sure someone is trying to kill her. Meanwhile, director Sebastian Tawanti is steering his small D.C. theater company into the big-time with his Incan mythology-based play. The culmination of his life s work, he won t let anything stand in the way of his play s success--not his mother s objections, not the inappropriate heat he feels for Layla, and not even the mysterious, empathic symptoms he s experienced since meeting her. As Layla and Sebastian struggle with new love and burgeoning power, a sinister force unravels to fulfill an ancient prophecy. Will they learn the truth behind the Incan script in time to save their lives, the love they re destined to share, and the future of humanity?.
