Casasola Editores, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THIS BOOK is ideal for anyone interested in resolving the contemporary crisis in education. Thanks to its introduction to problems of evaluation, it updates and offers updated solutions for professors, investigators, administrators, bureaucrats, politicians and the general public in their search for better results in the classroom and how to form students better prepared for the twenty first century. Although it is focused on the teaching of languages, it is applicable to all educational domains rooted in experiential learning, such se mathematics, computer science, sports, and fine arts. Thanks to its global and qualitative approach toward education, it promotes language acquisition as an integrated program rather than a collection of discrete items.
