Templeton Press. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 8.2in. x 5.2in. x 0.6in. From here, Stark devotes whole chapters to unpacking the latest research on how religion affects different facets of modern American life, including crime, family life, sexuality, mental and physical health, sophistication, charity, and overall prosperity. The cumulative effect is that when translated into comparisons with western European nations, the United States comes out on top again and again. Thanks in no small part to Americas rich religious culture, the nation has...
