

Life in a Bucket of Soil (Paperback)

By Alvin Silverstein

Dover Publications Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. The soil in forests, meadows, and fields -- even in vacant city lots or your own backyard - - swarms with countless tiny creatures, most of which are born, struggle for life, and die just beneath the earth s surface. In fact, you can find a bountiful sampling of these underground inhabitants simply by filling a bucket with soil. The small animals you re likely to find are vividly described in this fascinating, easy-to-read book, specially designed to acquaint you with a vast, living world beneath your feet. You ll learn about tunnel-building earthworms; threadlike, wriggly roundworms; snails and slugs (the slime gliders); armored scavengers such as wood lice and centipedes; flying tanks, more commonly known as beetles; lurking hunters such as spiders; the busy underground colonies of ants; and numerous other inhabitants of the soil. You ll find out how these diminutive animals live, breed, and interact; learn about their methods of locomotion, feeding, and defense; and even discover how they affect the soil in which they live. The authors also provide helpful suggestions for collecting specimens and explain how they can be preserved...
