HarperCollins Publishers, United Kingdom, 2018. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Are happy-ever-afters made in Manhattan? Find out in this gorgeous debut, perfect for cold winter nights. Once upon a time an English girl went to New York to live out her very own fairytale. Florist Rosie Duncan's life couldn't be better, she has a flourishing business on New York's Upper West Side and fantastic friends. Moving to Manhattan feels like the best decision she ever made. Even though at the time, it was her escape route from heartbreak . . . For the past six years Rosie has kept her heart under lock and key, despite the protests of her closest friends - charming, commitment-phobic Ed, unlucky in love Marnie and the one-woman tornado that is Celia. Then a blossoming friendship with publishing hot-shot Nate begins to shake Rosie's resolve at the same time as her brother arrives in the Big Apple, hiding a secret. But a chance meeting brings Rosie face to face with her past, unravelling the mystery behind her arrival in New York. Rosie is forced to confront questions she has long been trying to ignore, including will she ever get her very own happy-ever-after? A sparkling, romantic comedy about an English girl who finds herself in the city where dreams can come true - or so she thinks.
