

Eminent Victorians - The Original Classic Edition (Paperback)

Filesize: 8.78 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.
(Kitty Crooks)

Emereo Classics, Australia, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Finally available, a high quality book of the original classic edition of Eminent Victorians. This is a new and freshly published edition of this culturally important work by Lytton Strachey, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Eminent Victorians: As it was, born in the England of the nineteenth century, growing up in the very seed-time of modern progress, coming to maturity with the first onrush of Liberalism, and living long enough to witness the victories of Science and Democracy, he yet, by a strange concatenation of circumstances, seemed almost to revive in his own person that long line of diplomatic and administrative clerics which, one would have thought, had come to an end for ever with Cardinal Wolsey. There were, it was true, occasionally to be found within the Church some strait-laced parsons of the high Tory school who looked back with regret to the days of Laud or talked of the Apostolical Succession; and there were groups of square-toed Evangelicals who were earnest over the Atonement, confessed to a personal love of Jesus Christ, and seemed to have arranged the whole of their lives, down to the minutest details of act and speech, with reference to Eternity. They saw a transcendent manifestation of Divine power flowing down elaborate and immense through the ages; a consecrated priesthood, stretching back, through the mystic symbol of the laying on of hands, to the very Godhead; a whole universe of spiritual beings brought into communion with the Eternal by means of wafers; a great mass of metaphysical doctrines, at once incomprehensible and of incalculable import, laid...
