

Drupal 7: Create and Operate any type of website quickly and efficiently

By David Mercer

Shroff Publishers/Packt, 2011. Softcover. Condition: New. Drupal is an elegantly designed, well-supported and flexible open-source CMS platform that anyone can use in order to create their own website. What`s more, the latest version of Drupal 7 includes a tremendous number of new features and new under-the-hood improvements for both users and developers. Drupal is a hugely popular and widely celebrated open-source Content Management System that is day-by-day becoming the first choice of people for a wide range of websites. The White house and the British government, to name but a few, turn to Drupal to fulfill their online requirements. This book provides the best way to learn and master Drupal 7, enabling you to create virtually any type of website. It meets the booming demand for well presented, clear, concise, and above all practical information on how to design and build sites like a pro. With such a powerful tool at your fingertips there is no longer any need to pay professionals to design a site when you can do the same job yourself absolutely free. All it takes is a bit of practice! By clearly and concisely demonstrating the fundamentals of Drupal and combining this with practical and methodical...
